Hotels

General tip: Surrounding areas of the hotels near Telenor Campus are very quiet and peaceful/lonely during the night. On the other hand, hotels in Oslo centre have the normal life of every capital city, with wider options to take a walk, or finding places for eating/drinking. So keep this in mind and choose according to your preferences. There are also several hotels in central Oslo, near the main train and bus stops. There are three hotels within walking distance of Telenor Campus:

1. Radisson Blu Park Hotel (****) , Fornebuveien 80, N-1366 Lysaker - Norway Phone: +47 67 82 30 00 - e-mail: guest.park.oslo@radissonblu.com https://www.radissonhotels.com/en-us/hotels/radisson-blu-oslo-park
